

Customised Credit Opinions

Step into every trade with confidence. Leverage Coface's Global Underwriting Expertise

1. Analysis of millions of global datasets and exclusive credit information
2. Manual investigations for complex cases ensure you get the full picture
3. Information is adjusted for external shocks to the economy according to a company's sector, size and geographic location
4. A monitored credit score is included to help assess current probability of default

Information you can trust

We use our credit opinion to guide our credit insurance options. If it's wrong, we pay our insured customers. So it's in our and your interests to get it right.
